

Ridiculous EXISTING laws of the United States

American law is often ridiculed around the world and Americans like to laugh at his law. For example in a new York taxi during the trip on the TV screen broadcast the most stupid laws that would entertain passengers. Nevertheless, despite all the nonsense these laws are in force that they become even funnier. Let's laugh together over the most prominent but take note just in case and then suddenly break out of ignorance. The State Of New York I'll start with this state she reside in it. 1 Women are allowed to go top-less on the street unless it is part of an advertising campaign. Business Well what can I say-there is a desire to strip your clothes and go to times square. But what Men can and we have no Equality at all 2 groups of 5 and more persons not have the right to assemble publicly if their face mask. Damn that is impossible to gather 10 people to pull on the head of pantyhose and go for a walk around the city it's a Shame 3 Citizens should not greet each other enclosing the thumb to the nose and moving in this other that is to do noses like in Pinocchio Remember that would God forbid not to welcome so pogramichnikam police. This is a normal greeting around the world 4 the Law forbids to beat someone with balls to the head. Yes, in my childhood the floor of my school after gym class ended up in jail go for it we have such a law. 5 On Sundays is forbidden to walk around town with his ice cream cone in your back pocket. That is, in the remaining 6 days of the week but Sunday not Sure we have that's the way it always go, except on Sundays of course. The law works the same in Alabama I am glad that we are not alone in your addiction to ice cream in your back pocket. 6 In the Elevator is forbidden to speak to strangers. You should stand with folded hands looking straight at the Elevator door. Well, all my neighbors got involved. Next time when I wish a good day or a sweet old lady who lives upstairs will praise my shoes will read them the law and suing. And the hands on the hips please. The law is the law, nothing personal. 7 For flirting you can be fined \$25 And you wonder why Americans are getting acquainted in the Internet, Oh, you flirt with me Make 25 bucks 8 Treason is a crime. Nuuuu Maybe it's one of the reasons in new York 2.000.000 singles 9 new Yorkers can't dissolve a marriage at the unilateral request even in case of irreconcilable differences. Only with the consent of both parties to the marriage may be dissolved. The next time my grandma asks me when I will throw off to it the reference to this law. No, not because
