The procedure of apostille stamps legalisation and consular legalization of documents is an important step in the preparation of documents for foreign countries. Apostille or legalization is affixed in the country where the document is issued. Apostille is a special stamp affixed to an official document issued in one country confirming that it was genuine. After affixing the Apostille the document is in full force and effect in another country as it confirms the authenticity on the territory of which the Hague Convention of 5 October 1961. The apostille is affixed, the following official bodies Choice instance for apostille depends on Your submission document. The cost of apostille and legalization varies depending on the instance document and the country where the document is submitted. For example, certificate of residence certificate of good conduct medical certificate etc. apostilled at the foreign Ministry. Documents issued by the Registrar of the notarial documents issued by the organs of the court, etc. needs to be apostilled in Ministry of justice documents which are relevant to the formation of the diploma Supplement to the diploma, the certificate attached to the certificate Registrar's certificate diploma of candidate of Sciences, etc. apostilled only in the Ministry of education of Ukraine. As of December 22, 2003 in Ukraine the Hague Convention which abolishes the requirement of diplomatic or consular legalization of foreign documents for member countries of the Convention, in effect since 1961. The new order applies to member countries to recognize Ukraine as a country signatory of the Hague Convention and Vice versa. This rule simplified the procedure for legalization of documents. Therefore, when affixing apostille on the document and if necessary its translation no longer requires legalization in the Consulate of the country for which this document is intended. Country which require the affixing of the 1st apostille countries with which Ukraine has signed agreements on legal assistance for these countries, requirement of legalisation or apostille optional. the country for which the apostille is put only on tax documents such as certificate confirmation of tax resident status Double apostille There are cases in which when placing the document certain countries require a stamped on it double
